PRESIDENT:

Frank Rands MNZM, JP

Fellow members, I have been on Council for two years one of which as your Vice President. I am keen to take up the President appointment and bring all of my life experience to the position. I have a desire to introduce modern technologies into the Council and our Association at large. I believe that one of the main reasons for Council, in addition to providing good governance, is to support the Service Desks and, of course, to continue the good work of our President. I served in the Royal New Zealand Navy for 52 years where I gained much experience in leadership, people management, mediation and team building. All of these professional qualities I will bring to the Council as your President.

I have a strong background in general management. I am passionate about passing on my knowledge to our Justices in order to achieve 'Accreditation' working with modern technology and, especially, for our JPs to have the opportunity to learn these skills. I would like to ensure we keep the Association fiscally solvent and I will initiate an audit of all our resources to ensure that they are being maintained to New Zealand best business practice standards. If elected, I would also introduce 'The year of the Audit' where not only our resources will be targeted but, also the Association Membership. I believe we are all part of 'Team Auckland Association' and we must individually contribute to the team. Accordingly, without exception, it is time for everyone to become effective team members. I understand education and knowledge are vital strings to our bow as they will provide and serve us well when we're assisting and helping our communities. If elected, I look forward to serving our membership and our communities to the very best of my ability. Laurie and I, have been married for 50 years and have two children and five grandchildren.

VICE-PRESIDENT:

Ginny Radford CNZM, QSO, JP

I have been a JP for more than 10 years, and a member of Council for the past 2 years. My professional background includes secondary teaching, training of volunteers, and almost 20 years with roles in planning and finance and communications in a major corporate in NZ.

I have been a volunteer all my life. My governance experience includes chair or vice -chair of three world not-for-profit organisations, as well as leadership roles for two small NZ commercial entities.

I would like to see the AJPA continue its support for members, consulting with them, and endeavoring to support Justices as they deliver their services in a variety of roles.

REGIONAL REPRESENTATIVE TO ROYAL FEDERATION

Terry Holding JP

My working life was in secondary education as a teacher and then as a Senior Manager. I was an Associate Principal until 2013, then Relationship Manager till retirement in 2017. My responsibilities were primarily Curriculum and Teaching and Learning. I undertook Governance and Strategic Planning functions and directed a Leadership Institute. I also managed the International Student programme. This has given me an appreciation of other societies and a strong desire to support and promote cultural diversity and understanding.

I have always been part of community organisations. I have been a Rotarian and a committee member of sports clubs. At present I am the Deputy Chairman of the Kensington Residents' Association.

I have been a member of the Auckland Association since being appointed a JP in 2004. I have worked on service desks for the Devonport and Hibiscus Coast Support Groups. I completed the Judicial Justice programme in 2017 and joined the Auckland Panel.

I was initially co-opted to the Auckland Association Council and am currently an elected member. I am the Chair of the Finance and Registry Committee and on the Strategic Review Committee. I am part of the Court Management Team and support the Judicial Trainer in delivering panel seminars and training panel members to be Minors and Remand Leads

I have been the Auckland Regional Representative to the Royal Federation since June after being appointed by the Board. At present, I hold the Judicial portfolio.

I believe I can effectively represent the Justices of the Peace throughout the Auckland Region and continue to contribute effectively to the overall governance and strategic planning functions of the Federation.

COUNCIL MEMBERS

Roger Brookes JP

My involvement with our Association includes:

- An active and current member for 25 years since appointment 1995; am accredited.
- Served as our Association's Registrar for 11 years, 2004-2015.
- After a gap year, served on our Council for 4 years, 2016-present.
- Current member of Council's Conduct & Ethics Committee, Support Groups Liaison Committee, Specialist Functions Committee, Nominee Interviewing Panel.
- Current convenor of the Association's Issuing Officers' programme.
- Regular attender at meetings of 6 support groups.
- On rosters of two service desks.
- A delegate of our Association at nearly every annual conference of the Royal Federation since 2004.

Other community involvements include: Administrator of the Auckland Regional Ethnic Council (1994-2005), Administrator of the Refugee Council of New Zealand (1996-2007), President of the Community Languages Association of New Zealand (1996-1999), President of the Combined Beneficiaries Union Inc (2008-2018). Marriage celebrant since 2000.

My career in education included teaching positions in Auckland and overseas schools (1976-1987) and lecturing and management positions in Auckland tertiary education institutions (1987-2006).

I offer to serve on our Council for two further years.

Susan (Sue) Furness JP BA MPH (Hons)

I was sworn in as a Justice of the Peace in November 2019. Since then I have been active on the Onehunga Service Desk each week and despite the pandemic interruptions, I have seen over 400 clients so far this year. I enjoy serving my community as a volunteer, I love to learn and to problem-solve, and I have enjoyed applying these skills to my work as a JP.

Before I retired, I had broad work experience. I was a Medical Laboratory Technologist, working at National Women's, Christchurch, and Greenlane hospitals. I also trained and worked as a kindergarten teacher in Auckland, before the arrival of our three children. For the last 20 years I undertook a variety of roles in health research at the University of Auckland; projects in primary care, secondary care and public health. During this period, I studied for a Master's in Public Health. I also spent an interesting 4 years compiling summaries of evidence in oral health at the University of Manchester in the United Kingdom. I am a capable communicator with over thirty-five peer reviewed publications, produced in collaboration with health professionals from across the world.

I have been a volunteer leader in the Girl Guide movement, and I am currently a volunteer interviewer at Citizen's Advice Bureau. As a volunteer for Mercy Hospice I work with patients recording and publishing their life stories for their families.

My husband and I enjoy hiking and cycling, and when possible, travelling to visit our family in Wanaka and London.

Although I am a 'rookie', I am keen to make a contribution to the Auckland Justice of the Peace Association, learning from the experience of other Justices and bringing enthusiasm and energy to the council.

Ian Gardiner JP

Anthony (Tony) Kortegast JP

I have been a JP for 5 years and am currently the Hobson JP Support Group coordinator.

I am now partly retired from Tonkin & Taylor, so I have some time available to assist as a Council member where I believe I can make a positive contribution based on my 40 years of New Zealand and international business governance and management experience. I am a professional engineer and work in the environmental engineering field predominantly. I have also held senior roles in business strategy, financial management and business planning. As a manager I have developed and run business units both here and overseas, with direct responsibility for teams of up to 200 staff.

I was on the board of Tonkin & Taylor, which is a leading NZ engineering consultancy employing around 800 staff, for more than 25 years. I have also served on the Boards of industry organisations and in Australia I served two terms (6 years) as national Vice

President and Board member of WMRR, the peak body for the Australian waste industry. I am a fellow of both Engineering NZ and Engineers Australia and I was a former member of the ENZ professional disciplinary committee. I am also an EPA appointed environmental auditor in Victoria.

I look forward to the opportunity to contribute to the work of Council and to helping build the future of JP services in the Auckland region. I believe I would bring business and commercial experience, pragmatism, governance skills and sound judgement to Council activities, as well as contributing to the important discussion around the strategic issues that will affect the organisation's future.

Wallis Walker JP

Wallis' leadership style is inclusive, democratic and innovative. She works together with her fellow Justices to achieve results.

JP since 1990, Judicial since 2001, AJPA Council since 2002. President AJPA 2008-09.

Board member of Royal Federation of New Zealand Justices Associations 7 years. Member Auckland Conference 2015 Committee.

Organised 7 Regional Conferences.

In Auckland Wallis has contributed significantly to ministerial education, newsletters collecting and reporting service desk statistics, appointing and interviewing prospective Justices of the Peace, complaints committees, policies, strategic planning, court work, registry and finance. She led AJPA responses on changes in RF Policies and Constitution in 2017. Wallis was interviewed for TV on the roles of JPs. She produced the 90th Anniversary book for AJPA and is a member of the Centennial Committee.

Her successful career in education culminated in being principal of a large primary school then an intermediate. Wallis was a member of the Government's Reform of Education Implementation Group on School Enrolments and Zoning. She is a Fellow of NZEI.

She served as president and treasurer of Auckland Defensive Driving Council and president of NZ Defensive Driving Council. Currently is president of Remuera U3A, IPP of Maungakiekie Toastmasters and a member of Auckland Branch NCW.

Her interest in Justice has led her to visit Justices of the Peace/Magistrates in England, Scotland, Canada and Australia, speaking at meetings and sitting on the bench as an observer.

Her wealth of knowledge on Justices of the Peace roles, organisations and their history, was utilised in her contributions to all facets of AJPA and Royal Federation governance, policies, submissions and reports. She willingly shares her knowledge and initiatives.
