

## Royal Federation of NZ Justices Associations (INC) National Conference

### **Accommodation:**

As the conference is being held at the James Cook Grand Chancellor Hotel, our preference is that delegates book accommodation on site, however we have included some options within walking distance for those that may want somewhere different.

Please note that delegates staying outside of the conference venue will need to arrange their own transport to and from their accommodation.

All room rates other from the James Cook Grand Chancellor are based on web results and may differ depending on when bookings are made.
