

## HUB DATES 2023

The following are the dates the team will be running HUB Professional Development sessions in 2023.

All of the sessions will have the same content so that Justices can attend a session at a date that suits each individual. There is no requirement to attend the session in your area.

The session on Wednesday evening July 5<sup>th</sup> will also be open to all Justices and is planned to suit those who work or are rostered on a service desk on the weekend.
